

YOLOBUS DETOUR – West Sacramento West Capitol Ave Streetscape

Westbound traffic along West Capitol Avenue between Garden St and Jefferson Blvd will be diverted to the South side of the existing median. Due to the traffic switch, the **existing bus shelter/transfer center on West Capitol at Merkley Westbound will be relocated** to the center median.

The traffic shift is scheduled to be completed on:

Friday, August 21, 2009 at approximately 1:00pm.

NOTE: From approximately 10:00am to 1:00pm, the existing bus stop on the North side of the median will continue to be served **WITHOUT** a bus shelter (as moving the bus shelter is a 3 hour process). A temporary bus stop sign will be posted until the traffic switch is completed.
